

the person or agency to whom the disclosure is made.

(3) Accounting records will be maintained for at least 5 years after the last disclosure, or for the life of the record, whichever is longer.

(4) Subjects of DSWA records will be given access to associated accounting records upon request, except for those disclosures made to law enforcement activities when the law enforcement activity has requested that the disclosure not be made, and/or as exempted under section 318.11 of this part.

§ 318.10 Fees

Individuals may request copies for retention of any documents to which they are granted access in DSWA records pertaining to them. Requesters will not be charged for the first copy of any records provided; however, duplicate copies will require a charge to cover costs of reproduction. Such charges will be computed in accordance with DoD 5400.11-R.

Dated: September 29, 1997.

L. M. Bynum,

Alternate OSD Federal Register Liaison Officer, Department of Defense.

BILLING CODE 5000-04-F

DEPARTMENT OF THE INTERIOR

Office of Hearings and Appeals

43 CFR Part 4

RIN 1090-AA63

Department Hearings and Appeals Procedures

AGENCY: Office of Hearings and Appeals, Interior.

ACTION: Proposed rule; extension of comment period.

SUMMARY: This action extends the comment period an additional 60 days on the Department of the Interior's Office of Hearings and Appeals' proposal to amend its rules to provide that, except as otherwise provided by law or other regulation, a decision will be stayed, if it is appealed, until there is a dispositive decision on the appeal.

DATES: Comments are due to the agency on or before December 2, 1997.

ADDRESSES: Send written comments to Director, Office of Hearings and Appeals, U.S. Department of the Interior, 4015 Wilson Blvd., Arlington, VA 22203. Comments received will be available for inspection during regular business hours (9 a.m. to 5 p.m.) in the

Office of the Director, Office of Hearings and Appeals, 11th Floor, 4015 Wilson Blvd., Arlington, VA. Persons wishing to inspect comments are requested to call in advance at 703-235-3810 to make an appointment.

FOR FURTHER INFORMATION CONTACT:

James L. Byrnes, Chief Administrative Judge, Interior Board of Land Appeals, Office of Hearings and Appeals, U.S. Department of the Interior, 4015 Wilson Blvd., Arlington, VA 22203. Telephone: 703-235-3750.

SUPPLEMENTARY INFORMATION: On August 19, 1997, the Department of the Interior proposed to amend the regulation contained at 43 CFR 4.21 (August 28, 1997, 62 FR 45606.) Comments to this proposed rule were to be received on or before September 29, 1997.

In a letter dated September 4, 1997, from the National Mining Association (NMA) to the Director of the Office of Hearings and Appeals (OHA), U.S. Department of the Interior, the NMA requested a 60-day extension of the comment period for this proposed amendment because the existing comment period did not allow adequate opportunity for comment, and it needed more time to present the views of its member companies. Also, in a letter dated September 12, 1997, from the Rocky Mountain Oil and Gas Association (RMOGA) to the Director, OHA, that organization requested a 60-day extension of the comment period. The RMOGA stated that the current 30-day comment period would not allow the industry adequate time to carefully analyze the proposed rule to determine the potential effects, if any, on oil and gas activities on public lands.

The OHA has determined that an extension of time to obtain the comments on the proposed rule from NMA and RMOGA is warranted and therefore, the requested extension is granted. This notice announces that 60-day extension of the comment period.

Dated: September 24, 1997.

Brooks B. Yeager,

Acting Assistant Secretary—Policy, Management and Budget.

BILLING CODE 4310-RK-M

FEDERAL EMERGENCY MANAGEMENT AGENCY

44 CFR Part 67

[Docket No. FEMA-7230]

Proposed Flood Elevation Determinations

AGENCY: Federal Emergency Management Agency (FEMA).

ACTION: Proposed rule.

SUMMARY: Technical information or comments are requested on the proposed base (1% annual chance) flood elevations and proposed base flood elevation modifications for the communities listed below. The base flood elevations and modified base flood elevations are the basis for the floodplain management measures that the community is required either to adopt or to show evidence of being already in effect in order to qualify or remain qualified for participation in the National Flood Insurance Program (NFIP).

DATES: The comment period is ninety (90) days following the second publication of this proposed rule in a newspaper of local circulation in each community.

ADDRESSES: The proposed base flood elevations for each community are available for inspection at the office of the Chief Executive Officer of each community. The respective addresses are listed in the following table.

FOR FURTHER INFORMATION CONTACT: Frederick H. Sharrocks, Jr., Chief, Hazard Identification Branch, Mitigation Directorate, 500 C Street SW., Washington, DC 20472, (202) 646-2796.

SUPPLEMENTARY INFORMATION: The Federal Emergency Management Agency proposes to make determinations of base flood elevations and modified base flood elevations for each community listed below, in accordance with Section 110 of the Flood Disaster Protection Act of 1973, 42 U.S.C. 4104, and 44 CFR 67.4(a).

These proposed base flood and modified base flood elevations, together with the floodplain management criteria required by 44 CFR 60.3, are the minimum that are required. They should not be construed to mean that the community must change any existing ordinances that are more stringent in their floodplain management requirements. The community may at any time enact stricter requirements of its own, or pursuant to policies established by other Federal, State, or regional entities. These proposed elevations are used to
